- Also have our own blow up screen that we could host one with
- Hopefully sometime in November or December with approval

Trivia Night on Zoom

- People could pay \$5 or so to participate in a virtual trivia night and we would have prizes like giftcards or school spirit items.

Senior Events

This year though odd we plan on still putting on these events

- *Senior sunrise - First day of Hybrid (Done)*
- *Senior pool party*
- *Movie night*
- *Senior brunch*
- *Grad nite*
- *Graduation*

We can not start selling senior packets until we have approval for these events but we have them all ready to go for whenever we get it.

Graduation

Options for graduation as of right now :

- *The convention center on June 1st*
- *A graduation in the football stadium*
- *A drive by graduation ceremony*

Hopefully we will be able to do it in the convention center but just in case we have backup options so we will be prepared.

Homecoming

As of right now, Mr. Ventura and Mr. Brown have scheduled our homecoming football game for March 5th. (event subject to change based on how football season will look starting in January)

- Hoco parade hopefully on the 3rd of March with everyone staying in their cars and we can broadcast the parade so that everyone can watch from home if they aren't in it*
- Firework show on the night of the game*
- Mr. Brown will be accepting donations for that when it gets closer and we know more details*
